## USDA Prime Top Sirloin Steak

Top sirloin steak is a lean, moderately tender cut taken from the upper part of the sirloin section, just below the tenderloin. Known for its rich beef flavor and versatility, top sirloin has less marbling than ribeye but is more affordable and still satisfying, making it ideal for a wide range of cooking methods and cuisines.

 $13.99_{\rm lb.}$ 

# THE PERFECT PAIRING!

A mix of fresh fruit and subtle spice, making it a popular choice for those who enjoy a fruit-forward, easy-drinking red.

Hahn 2021 Pinot Noir 750 ml.

#### **Boneless Pork Chops**

Boneless pork chops are lean, tender cuts of pork that cook quickly and are versatile enough for grilling, baking, or pan-searing. For best results, season with salt, pepper, and herbs, then sear on high heat until golden brown on both sides and finish in the oven or on low heat to keep them juicy.

5.99<sub>lh</sub>.

#### Steelhead Trout Fillets

Steelhead trout fillets are a mild, tender fish similar to salmon, known for their delicate, slightly nutty flavor and flaky texture. They're packed with omega-3 fatty acids, high-quality protein, and essential nutrients like vitamin D and B vitamins, which support heart health, brain function, and overall wellness.
